

Mission, vision and goals

An authorized state educational institution **Legal Entity of Public Law – Community College Gldani Vocational Education and Training Center** was established by the Ministry of Education and Science of Georgia in 2012 on the basis of Order No. 176 / N of 10 September 10. The charter of Legal Entity of Public Law – Community College Gldani Vocational Education and Training Center was approved by the Ministry of Education, Science Culture and Sports of Georgia in 2019 on the basis of Order No.121/N of June 19 and Order No. 176/N of 10 September of the Minister of Education and Science of Georgia about establishment and approval of the charter of Legal Entity of Public Law – Community College Gldani Vocational Education and Training Center was declared invalid. Therefore, **LEPL – College Gldani Vocational Education and Training Center** is its legal successor.

The mission of the college is to provide accessible, thorough, dynamic, quality vocational education for every student/attender, that will contribute to preparing competitive specialists relevant to the requirements of the labor market with the perspective of their future employment and self-realization.

The vision of the college is to be an attractive partner for the private and government sectors by 2025 and accordingly satisfy the needs of labor market by the qualified workforce .

The goal of the college is to equip students/attenders with competences relevant to requirements of modern labor market and provide advantageous conditions for their professional and personal development.

To achieve goals the objective of the occupation of the college is to carry out: vocational educational programs, short-term educational programs, vocational training programs, State Language training programs, different training courses and programmes within the non-formal education, joint vocational educational program/short-term educational program in cooperation with educational institution/institutions of Georgia or/and educational institutions recognized by foreign law, exchange vocational educational program/short-term educational program in cooperation with the educational institution recognized by foreign law. To achieve its goals the college implements other powers legislated by Georgian law.
